**FESTIVAL INFORMATION**

The **Santa Fe Renaissance Faire** is devoted to the Renaissance period and its fairytale costumes and stories. The Faire features a Royal Court, Jousts, a Fairy Village, Pirates, period-correct entertainment, and events. Products featuring the time are popular with our guests but not required. As is true for all our festivals, the museum grounds will be open and staffed with costumed interpreters, giving guests to this family event a unique opportunity to explore and learn about the history of New Mexico. If you wish to offer an educational demonstration, please inform the Vendor Coordinator so that it can be included in the event program. This often increases traffic to your booth. Prepare with enough aid to cover both booth sales and demos.
